

- 01. Left MB vertical medial lobe connection
- 02. anterior upper commissure
- 03. center SEZ neuropil fusion
- 04. end of ventral nerve cord
- 05. left A6 nerve entry
- 06. left A7 nerve entry
- 07. left A8 nerve entry
- 08. left antennal nerve
- 09. left anterior LON nerve
- 10. left basal brain neuropil border posterior
- 11. left thoracic nerve entry T1
- 12. left thoracic nerve entry T2
- 13. left thoracic nerve entry T3
- 14. left tip of vertical lobe
- 15. left upper most anterior nerve entry

- 16. left upper peduncle
- 17. posterior upper commissure
- 18. right A6 nerve entry
- 19. right A7 nerve entry
- 20. right A8 nerve entry
- 21. right MB vertical medial lobe connection
- 22. right antennal nerve
- 23. right anterior LON nerve
- 24. right basal brain neuropil border posterior
- 25. right thoracic nerve entry T1
- 26. right thoracic nerve entry T2
- 27. right thoracic nerve entry T3
- 28. right tip of vertical lobe
- 29. right upper most anterior nerve entry
- 30. right upper peduncle
